

January 1, 2008

Dear Colleagues,

*North District Hospital NTE Cluster Commissioned Training Programs 2008*  
*Ophthalmic Pathology*

I am writing to extend our cordial invitation to you to participate in the coming Commissioned Training Program in Ophthalmic Pathology, to be held at the Hong Kong Eye Hospital from January 28 to 31, 2008. On this occasion, we are much honored to have **Dr. Fiona Roberts, Consultant Ophthalmic Pathologist**, Department of Pathology, Western Infirmary, Glasgow UK, to be our Commissioned Trainer.

This fascinating four-day program comprises a series of didactic and interactive clinicopathological lectures by Dr. Roberts, with the aim of introducing to you every facets of Ophthalmic Pathology, from the fundamentals to the advanced frontiers. Please refer to the attached timetable for details. With the exception of the open lecture and dinner, all events will take place at the Lecture Theatre, 3/F, Hong Kong Eye Hospital.

We would also like to draw your attention to the following event:

**Open Lecture “*Pathology of the retina and choroid: from Toxoplasmosis to Choroidal Melanoma*”**

Date: January 30, 2008 (Wednesday)

Time: 7:00 pm - Reception; 7:30 pm ó Open Lecture; 8:30 pm - Dinner (RSVP)

Venue: Langham Place Hotel

Address: 555 Shanghai Street, Mongkok, Kowloon, Hong Kong

Tel: (852) 3552 3388

The following CME points (passive) will be awarded upon completion of the training program:

	The College of Ophthalmologists of HK	The Hong Kong College of Pathologists
Didactic Lectures (Jan 28 to 31)	2.15 points/day	2 points/day
Interactive Clinicopathological Lectures (Jan 28, 29 and 31)	1.5 points/day	1 point/day
Open Lecture (Jan 30)	1 point	1 point

Please kindly fill out the attached reply slip if you are interested to attend the open lecture / dinner and return it on or before January 23, 2008. For further information, please contact Ms. Vicky Wong (Tel: 2761 9128).

May I take this opportunity to wish you a joyous, healthy, and prosperous 2008. We do look forward to seeing you.

Warmest regards,

Dr. David Liu  
Coordinator
